Popcorn

CHALONER & CO.

CIGARS
Est. 1874

(Per the Department of Health and Human Services Emergency Order 333.2253)

A mask is required for entry into Chaloner's.

Per the Executive Orders masks are required to be worn unless you are seated at your table. In addition to the executive order required by the State of Michigan, this is a company policy.

The ownership and management team are taking every step possible to keep our guests and staff safe.

We will not permit entry by any guests without a mask, even if you cannot wear one for medical reasons.

Only **seven (7) guests** are allowed inside the retail store at a time, based upon current capacity restrictions. Please maintain appropriate distancing as marked while onsite.

We will continue to have curbside service for those guests who wish to use it. **We will have masks available for purchase for \$1 if you did not bring one.**

We appreciate your patronage and understanding.
